

Memorandum of the people of the Karpas peninsula

[Ξένες γλώσσες / In English](#)

I've been given by Bishop Christoforos of Karpasia the following memorandum, which speaks for all the Greeks of this the most beautiful region of Cyprus, calling for it to be returned to its legitimate inhabitants and for it, in any future settlement, to be administered by the proposed Greek Cypriot constituent state.

Memorandum of the people of the Karpas peninsula

In view of the current talks to resolve the Cyprus issue, being deeply concerned about the future of the Karpas peninsula (which is defined as the area starting from, at its western boundary, a line running from the villages of Akanthou and Trikomo and extending east to Cape St Andreas), we state here the position of the whole of the peninsula's Greek Cypriot people, who overwhelmingly form the population of Karpasia.
