

Door to Him

[of Life](#) / [Ξένες γλώσσες](#) / [Ρήματα ζωής](#)

Christ comes lots of times and knocks at your door.

You ask Him into the sitting-room of your soul and then get involved with other tasks and forget all about the great Visitor.

He waits for you to appear and when a long time's passed He gets up and leaves.

Next time, you're so busy, you answer Him from the window. You haven't got time even to open the door to Him.
