From the Post-Modern Persona to the Person

[Ξένες γλώσσες](#) / [In English](#) / [The Ascetic Experience](#) / [Ξένες γλώσσες](#)

Human beings are the crown of creation. The longing for perfection is innate. This can be seen in the execution of any academic activity, art or even profession. People try, to the best of their abilities, to achieve perfection, even in their everyday activities. And this is evidence of the potential
