

Our purpose

[In English](#) / [The Ascetic Experience](#)

Image not found or type unknown

The strong faith of the human heart demands prayer and, at the same time, produces it, and a life of prayer over many years produces love. The aim of our life is nothing other than the purification of the heart to the point where it's able to sing for joy. Consequently, prayer of the heart leads to joy of the heart. Nothing's difficult for joyful people, because they've got love.
