It leaps and dances (Saint Nectarios of Pentapolis)

[Ξένες γλώσσες / In English](#)

20160531-2

A soul that's been wounded by divine love is always glad, it rejoices, it leaps and dances, because it's as buoyant in the love of the Lord as if it were riding on calm waters. No distressing event in the world can disturb its serenity and peace, nor deprive it of its joy and delight.
