Many pitfalls (Elder Iakovos Tsalikis)

[Ξένες γλώσσες / In English](#)

Image not found or type unknown

Don't trust people. Be careful who you mix with. Don't listen to what people say. Temptations come into it. We're people. The devil's got many plots and traps. Everything in marriage should be handled with love, meekness and patience. Have faith in God, pray and everything will go as He wishes it to.
