One

reason why people today suffer and have weak nervous systems is that they lack the power from above which the Church gives. And if you remember, when Christ ascended into heaven, where were the disciples told to go? To the upper room in Jerusalem, until they were 'clothed with the power from on high'. It is precisely this power from on high that we must take and which is given freely to us, provided we desire it, provided we want it, provided we work for it and ask for it.
