It's hell (Saint Justin Popovich)

[Ξένες γλώσσες](#) / [In English](#)

Image not found or type unknown

Unless the truth is Christ, I don't need it. It's pure hell. So is justice, love, the beautiful and good, happiness, even God Himself. They're all hell if they're not Christ. I don't want love without Christ; I don't want truth without Christ; I don't want justice without Christ; and I don't want God without Christ.
