This is their betrayal (Saint Symeon the New Theologian)

[Ξένες γλώσσες / In English](#)

Image not found or type unknown

People who are ambitious, who love the flesh and money, can't bear any threat, any ridicule, any disdain on the part of other people, any deprivation or financial loss. This is why they betray the heavenly and the eternal for the earthly and the temporary. For the sake of the passing, they lose the enduring. For things that are worth nothing, they lose their salvation.
