You can't, without Grace (Saint Nicodemus the Hagiorite)

[Ξένες γλώσσες / In English](#)

Image not found or type unknown

Without the Grace of God, Christians can't avoid sin, nor can they repent and set themselves straight. They can't withstand even the smallest temptations. The reason is that we don't ask God's help with all our heart, with faith, with reverence, with humility. We don't constantly ask for it in our prayers.
