It's all a gift from God (Elder Iosif the Hesychast)

[Ξένες γλώσσες / In English](#)

Everything benign and good comes from God. There's no kind thought which isn't from God, and no evil thought that's not from the devil. So, whatever good thing you think or say or do, is all courtesy of God. 'Every good and perfect gift comes down from above'. Everything's a gift from God; nothing is ours.
