St Nicholas Velimirovic

«The fear of the Lord is the beginning of wisdom» (Proverbs 1:7).

If someone were to know the number of stars in the heavens and the names of the fish in the sea and the amount of the grass in the field and the habits of the beasts in the forest and would not have the fear of God, his knowledge is as water in a sieve. And before death, his knowledge makes him a greater coward than the completely ignorant. ([περισσότερα...](#))
