We could hide (Elder Tadej Vitovničk)

[Ξένες γλώσσες / In English](#)

Image not found or type unknown

When people are in a state of grace, the soul is calm and serene. No-one can provoke them to anger. And then, it's expected that such people will make a conscious decision to reject evil. They have to defeat all the enemies of their soul while they're still in this life. Our enemies aren't made of flesh and blood. If they were we could hide or flee from them. But our spiritual enemies are everywhere.
