Tell Our Lady (Saint Porphyrios of Kavsoakalyvia)

[Ξένες γλώσσες / In English](#)

Image not found or type unknown

Whatever you want to your children, say it in your prayers. Children don't hear with their ears. It's only when God's Grace comes and illumines them that they listen to what we want to tell them. When you want to say something to your children, tell Our Lady and she'll see to it. That prayer of yours will be a living-giving breath, a spiritual caress that soothes, embraces and attracts your children.
