The atmosphere of Paradise (Elder Tadej Vitovničk)

[Ξένες γλώσσες / In English](#)

People who live in the Kingdom of Heaven radiate saintly thoughts. Divine

thoughts. The Kingdom of God creates within us an atmosphere of Paradise, quite the opposite of the hellish atmosphere which is exuded by those who have Hades in their heart. The role of Christians in the world is to filter the earth's atmosphere, so that the atmosphere of the Kingdom of God continuously gains ground.
