They darken the mind († Archimandrite Georgios Kapsanis, Abbot of the Holy Monastery of Gregoriou)

[Ξένες γλώσσες / In English](#)

It's egotism that prevents people from loving God and their neighbour. Christians strive to root out egotism from within themselves, to root out the passions that darken their mind and make a prisoner of their heart. They strive to please God. They know God's commandments and want to observe them assiduously in their lives.
