A Sacred Birth (Mina Boulekou, Author-Poetress-Columnist)

[Ξένες γλώσσες / In English](#)

*Blessed by
your name Mary
among the woman's
Angel said
a holy message changed
our world destiny.*

*A heaven's gift was sent
to give us a new Hope.
A king was born
The Son of GOD.*

*Angels filled
the midnight sky,
singing Hallelujah,
He is Christ, our King.*

*A holy spark
took flesh and bones
Holy spirit
came upon us in earth*

*to lighten our lives.
to warm our hearts
to fill us joy!*

*Oh! God our Savior
Blessed by Your Name
in heaven's glory.*
