It's a gift from God (Elder Iosif the Hesychast)

[Ξένες γλώσσες](#) / [In English](#)

Every good thing comes from God. There's not a single good thought that isn't from God, nor wicked one that isn't from the devil. Anything good you conceive,

say or do, they're all God's gift. 'Every perfect gift comes down from above'. It's all a gift from God; we've got nothing of our own.
