There's no end (Elder Iosif the Hesychast)

[Ξένες γλώσσες](#) / [In English](#)

It's not the case that God's been described and that's it, or that His attributes are able to be so described. When, by the grace of the Holy Spirit, we enter into the

bosom of Glorification, we're aware of all these endless, intangible, undiscernible, boundless attributes. This is why I said that repentance has no limit.
