## Away from the old and unredeemed (Abbot Georgios Kapsanis of Gregoriou)

Ξένες γλώσσες / In English

When marriage becomes a 'sacrament' it removes the

couple and their physical marriage away from the old world, unredeemed and without God, the world of egotism of decay and death and places them in the new, *theanthropic* world of the Kingdom of Heaven, of the love of the Church.

» Blessed Georgios Kapsanis, Proegumen of Gregoriou Monastery
