

## The Grace and the sea of life (Amphilochios Makris of Patmos)

[Ξένες γλώσσες / In English](#)

We find ourselves on the sea of life – sometimes it's

a storm, other times it's a mill-pond.

God's Grace doesn't desert us.

If things were otherwise, we'd never realize how Grace sustains us.

» *Elder Amphilochios Makris of Patmos*
