Henry Kissinger backed Turkish tactics in 1974 Cyprus invasion

Henry Kissinger, U.S. Secretary of State at the time of Turkey's 1974 invasion of Cyprus told then U.S. President Gerald Ford that Turkey was entitled to seize part of the island.

Έγγραφο-φωτιά που αναφέρεται στον καθοριστικό ρόλο του άλλοτε υπουργού Εξωτερικών των ΗΠΑ, Χένρι Κίσινγκερ στην τουρκική εισβολή στην Κύπρο έφερε στο φως της δημοσιότητας η ιστοσελίδα «ahvalnewstr.com».

Σύμφωνα με τα όσα αναφέρονται στο έγγραφο αυτό, ο Χένρι Κίσινγκερ προέτρεψε τον πρόεδρο Φορντ να επιτρέψει στους Τούρκους να κάνουν ό,τι θέλουν στην Κύπρο, γιατί όπως του είπε “έχουν το δικαίωμα”.

“There is no American reason why the Turks should not have one-third of Cyprus.”
Henry #Kissinger to Prez Ford (13/8/1974). The 2nd phase of the Turkish invasion
of #Cyprus took place a day after (14-16/8/1974). #ItsAnOccupation #CyProb

MEMORANDUM OF CONVERSATION

PARTICIPANTS: President Ford
Dr. Henry A. Kissinger, Secretary of State
and Assistant to the President for
National Security Affairs
Major General Brent Scowcroft, Deputy Assistant
to the President for National Security Affairs

DATE AND TIME: Tuesday, August 13, 1974
9:00 a.m.

PLACE: Oval Office

[General Scowcroft came in late.]

Kissinger: The problem in Geneva is that the Turks see that the more
the negotiations are protracted the more difficult the unilateral military
move becomes. The Greeks are procrastinating -- they want to go home
for 36 hours and then resume discussions. The Turks so far have
refused to grant a 36-hour extension because it would make it that much
harder to take unilateral action.

Ο Κίσιγγκερ είχε υποστηρίξει ότι οι ΗΠΑ δεν είχαν κανένα λόγο να εναντιωθούν στην προοπτική να ελέγχουν οι Τούρκοι το 1/3 της Κύπρου! Αυτά αναφέρονται στα αποχαρακτηρισμένα πρακτικά μιας συνάντησης που είχαν Φορντ και Κίσιγγκερ. «Οι Τούρκοι έχουν δίκιο. Ας πάρουν αυτό που θέλουν και μετά ας διαπραγματευτούν με βάση την κατοχή», αναφέρει.

Ο Κίσιγγκερ θεωρούσε την Τουρκία πιο σημαντικό σύμμαχο από την Ελλάδα και γι' αυτό έλεγε πως σε περίπτωση πολέμου οι ΗΠΑ θα πρέπει να υποστηρίξουν την Άγκυρα.

PLACE: Oval Office

[General Scowcroft came in late.]

Kissinger: The problem in Geneva is that the Turks see that the more the negotiations are protracted the more difficult the unilateral military move becomes. The Greeks are procrastinating -- they want to go home for 36 hours and then resume discussions. The Turks so far have refused to grant a 36-hour extension because it would make it that much harder to take unilateral action.

President: What would we do if the Turks moved?

Kissinger: We would have to vote against them in the Security Council. We would have our hands full to keep the Greeks from going to war. The Turks right now are extremely nationalistic. For a few years ago, the Turkish tactics are right -- grab what they want and then negotiate on the basis of possession. But if the Turks run loose on Cyprus, the Greeks could come unglued. We certainly do not want a war between the two, but if it came to that, Turkey is more important to us and they have a political structure which could produce a Qadhafi.

[Scowcroft left to call Macomber and returned after about 10 minutes.]
