He's our friend (Saint Porphyrios of Kavsoakalyvia)

[Ξένες γλώσσες](#) / [In English](#)

We should feel Christ to be our friend. He is our friend. He Himself confirms this when He says : 'You're my friends...' (Jn. 15, 14). We should look on Him as a friend

and approach Him as such. Do we fall? Do we sin? We should run to Him with openness, love and confidence. Not with fear that He'll punish us, but with the courage given to us by the feeling that He's our friend.
