## To make us stronger (Elder Cleopa Ilie)

[Ξένες γλώσσες](#) / [In English](#)

God allowed the devil to bring us into temptation in order to make us stronger in the faith, so that we'd place all our hope in Him alone, not in our own powers and

so that we'd receive a greater reward from Him. God allows Satan to entice us, but never permits temptations that are beyond the power of our faith. (I Cor. 10, 13).
