

Don't let them terrify you (Saint Andronik of the Monastery of Glinsk)

[Ξένες γλώσσες / In English](#)

When you pray, you have to remember the hour of death and be afraid of eternal fire. We shouldn't be terrified by the difficulties and burdens of life, because, through the path of many sorrows we can enter the Kingdom of Heaven. It's not the place that sanctifies the person, but the person who sanctifies the place.
