

Lexiaguo - southwest of Kunming in Yunnan

[Ξένες γλώσσες](#) / [In English](#) / [Πολυμέσα - Multimedia](#)

It is located in the southwestern part of Kunming , 2600 ft. above sea level, a remote area.

Because of its lack of infrastructure and inadequate transportation and lodging, most travel agencies would not think of going there.

But for those who have seen the pictures of the Red land, no one can resist being attracted to its beautiful scenery!
