The punished angel

[Ξένες γλώσσες / In English](#)

From the 'Large Gerontiko'

An elder once said that there was this hermit who was living in the deepest desert for many years and had achieved the visionary charisma to such an extent that he was also in company with angels. Then this is what happened:

Two brothers, monks, heard about this hermit and wished to meet him so that they could benefit from his acquaintance. [\(περισσότερα...\)](#)
