David Cameron's incredibly stupid speech in Turkey

Britain's Prime Minister, David Cameron, made an incredibly stupid speech in Turkey that displayed his ignorance of international affairs.

Calling Gaza a 'prison camp' his comments pointed to Israel as being totally responsible for the restraints and conditions there.

Hamas and other Islamic terror groups that prosper and operate in the Gaza Strip were airbrushed out of his speech. For Cameron, they do not exist. They are, for him, no part of the problem.
