

The Actions of the Heart

[Ξένες γλώσσες / In English](#)

The role of the heart in our life's economy is not simply to submit passively to the sensations that reach us, and to witness our good or bad state; it has also to maintain the energy of all the powers of the soul and body. Note how quickly we do something we like, that is, when our heart is in it! But when our heart is not in what confronts us, our hands drop, and our feet do not move. ([περισσότερα...](#))
