Israel, Greece sign aviation pact, first treaty in 60 years

[Ξένες γλώσσες / In English](#)

Foreign Minister Avigdor Lieberman and his visiting Greek counterpart, Dimitris Droutsas, signed an aviation treaty yesterday, amid signs of strengthening ties between Jerusalem and Athens. This was the first treaty to be signed between the two nations since 1952, a Foreign Ministry statement said. The deal paves the way for, among other things, two carriers to service each side for each destination instead of just one.
