

The Protection of the Most Holy Theotokos

[Ξένες γλώσσες](#) / [In English](#) / [Ορθόδοξη πίστη](#)

This feast of the Protection of the Theotokos is neither one of the Twelve Great Feasts of the Church nor is it a commemoration of any events in the earthly lives of our Lord or His Mother. So why does the Orthodox Church here in twenty-first-century North America keep this feast?
