Unidentified assailants vandalize graves in Greek Orthodox cemetery

[Ξένες γλώσσες / In English](#)

Several grave stones in a Greek Orthodox cemetery in the Aegean island of Gökçeada were vandalized on the night of Oct. 28, according to a press release sent to Today's Zaman by the Foreign Ministry.

The release added that the incident was made public upon a criminal complaint filed at a prosecutor's office by the Gökçeada Municipality. An immediate investigation was launched into the incident. Efforts are ongoing to catch the perpetrators of the attack.
