Mom sold baby to buy car, police charge

[Ξένες γλώσσες / In English](#)

A Florida woman was charged with trying to sell her infant son in order to pay for a new car, police said Tuesday.

The baby's grandmother brokered the deal and initially demanded \$75,000 but agreed to cut the price to \$30,000 when told the prospective buyer could not get a bank loan, the Florida Department of Law Enforcement (FDLE) said.
