[Ξένες γλώσσες](#) / [In English](#) / [Saints](#)

Saint Angelina was the daughter of the Godly Orthodox Prince of Albania, the brave Scanderbeg. At that time most of the people of Albania were Orthodox Christians who were glorious in their defense of the Faith. At the court of her father who ruled this people the princess Angelina grew up, increasing in the gifts of the Spirit by the help of the Lord God, and her will made strong by the teaching of Christ. The name of her mother is not known, but we can see how she was brought up and what great care her parents gave to the training of her soul in the spirit of the Gospel teaching – and who but her mother would have given so much thought to the growth towards God of her heart and soul?
