Treasure worth 'billions' found in Sree Padmanabhaswamy temple India

[Ξένες γλώσσες / In English](#)

A TREASURE trove of gold and silver jewellery, coins and precious stones said to be worth billions of dollars has been found in a Hindu temple in southern India.

The valuables have an estimated preliminary worth of over 500 billion rupees (\$10.49 billion), Kerala Chief Secretary K. Jayakumar said, catapulting the temple into the league of India's richest temples.
