A typical landscape of an Athonite Monastery. You can see from left to right in the lower part: small parcels of medicinal herbs, a part of the vineyard.

In the middle from the left: annexed houses and workshops, cypress trees, the garden, cells, olive trees.

Right in the middle below the monastery, more olive trees. In the background more olive trees, forest and some workshops.

An entire small village under the marvellous athonite sky...[See photo...](#)

Un peisaj tipic a unei Mănăstiri Atonite. Puteți vedea de la stânga la dreapta în partea de jos: mici straturi de plante medicinale, o parte din vie.

În mijloc, începând din stânga: diferite anexe și ateliere, chiparoși, grădina, chilli, măslini.

Chiar în mijloc mănăstirea și alți măslini. În fundal se continuă grădina de măslini, pădurea și câteva ateliere.

O întreagă mică civilizație sub minunatul cer atonit.

Ένα τυπικό τοπίο Αθωνικού μοναστηριού. Μπορείτε να δείτε από τα αριστερά προς τα δεξιά χαμηλά : μικρές συστάδες θεραπευτικών βοτάνων και μέρος του αμπελώνα.

Στη μέση και από τα αριστερά: σπίτια εργατών και εργαστήρια, κυπαρίσσια, ο κήπος, κελιά και ελαιόδεντρα.

Ακριβώς στη μέση κάτω από το μοναστήρι βλέπουμε περισσότερα ελαιόδεντρα. Πίσω από την Μονή βλέπουμε μερικά ακόμα ελαιόδεντρα, εργαστήρια και δάσος.

Ένα ολόκληρο μικρό χωριό κάτω από τον υπέροχο Αθωνικό ουρανό.
